AIR MAIL

Dear Bill -

Well, hows the Commander by now? Have you got the radiator for the Plymouth fixed? Apud letter have it fixed soon for it won't be too long now until I'll be home. You know - time goes by faster than you think. I have some pictures finished now and I'll send you some in the next letter.

How is everyone around Linwood now? Things are still going the same way I suppose?

I haven't done much of anything

since I've been back. We haven't had any boat runs this weekend will average no more than one run a week the rest of my time here.

Well- everyone around here is getting ready to celebrate Navy Day and since this is a "Navy town" the Navy will go all out to make it a success.

Ho-hum- I'm really sleepy but I don't know why I should be. I had a full night's sleep last nite.

Well- Bill goes this all until next time so take it easy as any way you can get it. Write soon.

Yr olde Admiral
Cousin. Harold.
